Before the Court is *pro se* Plaintiff's Motion to Vacate. (Docket Entry 90.) Pretrial and scheduling matters in this case have been referred to the undersigned pursuant to 28 U.S.C. § 636(b). (See Docket Entry 5 and Text Entry dated October 26, 2023.)

In his motion, Plaintiff requests that the Court “place my case on stay until I am release[d] from jail and I can properly and legally research law.” (Docket Entry 90, at 1–2.) No party has responded to Plaintiff’s motion.

The Court construes Plaintiff's motion as a request to stay of proceedings pending his release from incarceration, and finds it well-taken. Plaintiff's motion (Docket Entry 90) is therefore **GRANTED**, and this case is **STAYED** pending Plaintiff's release from incarceration.

In light of the Stay, Plaintiff's Motion to Compel (Docket Entry 95) is **DENIED AS MOOT**.

Plaintiff must file an Advisory to the Court within 14 days of his release from incarceration. If he remains incarcerated as of **February 14, 2025**, Plaintiff must file an Advisory to the Court regarding his incarceration as of that date, and every three months thereafter so long as he remains in incarceration.

This case is **ADMINISTRATIVELY CLOSED** pending further order of the Court.¹

SIGNED on November 14, 2024.

Henry J. Bemporad
United States Magistrate Judge

¹ The U.S. Clerk is directed to send a copy of this Order to Plaintiff at the Bexar County Jail. Until Plaintiff's release or transfer from that facility, it is not necessary to mail copies to any other address.
